PROFESSIONAL SUMMARY

Detail-oriented and results-driven Web Developer with professional experience in designing, building, and maintaining responsive web and mobile applications. Proficient across full-stack and front-end technologies including JavaScript, PHP, Flutter, HTML/CSS, and C#. Proven track record of boosting web performance by 20% and deploying user-focused digital solutions. Adept at collaborating with cross-functional teams to translate project requirements into scalable software.

TECHNICAL SKILLS

- **Languages:** JavaScript, PHP, C#, C++, HTML5, CSS3, JSON
- **Frameworks & CMS:** Flutter, Django, ASP.NET, WordPress, Wix, Squarespace
- **UI/UX & Design:** Figma, Adobe XD, Adobe Photoshop, Adobe InDesign, Video Editing (After Effects)
- **Platforms & Systems:** Windows, macOS, Linux (Ubuntu)

WORK EXPERIENCE

Web Developer | Jenge Kulture, Nairobi, Kenya

Sep 2022 – Jan 2024

- Designed, developed, and launched multiple interactive, user-friendly websites using JavaScript, PHP, HTML, CSS, and JSON.
- Optimized existing web architecture and applications, resulting in a 20% improvement in performance.
- Collaborated closely with project managers and design teams to deliver client-tailored features within deadlines.

Web Development Intern | Fintech Kenya, Nairobi, Kenya

Oct 2021 – Jan 2022

- Assisted in developing and testing cross-platform mobile and web application features using Flutter and Android SDKs.
- Identified, debugged, and resolved technical issues across development cycles to ensure platform stability.
- Produced multimedia video assets to support digital product marketing and onboarding materials.
